****Use ALL Capital letters to fill out the form!!! If written illegibly, we cannot retype your tags.****

Dog Tags are metal identification plates used by the United States Armed Forces since World War 1. Each service member is issued two tags on a metal ball chain that is worn around the neck. Military tags are embossed with the individual's name, service number, religion and blood type.

The machine that personalizes your dog tags is the type used by the U. S. Department of Defense. You receive two identical dog tags on a chain.
