

Leisurely Pursuits and Grand Entertains: Sport and Leisure at Middleton Place

October 7-8, 2017 10:00-4:00

Join the Middleton Place Foundation for another weekend of leisure and sport activities from centuries past.

Special interactive programs have been scheduled and expanded for the Fall of 2017! Explore how the Middleton family and the enslaved community at Middleton Place would have spent their non-working hours. Cricket games and circus performances, storytelling, dancing and needlework, are all in store this year, plus much more!

Won't you come out and play?

**Program Cost is \$11 per student and \$12 per parent. Students and parents must register with Greg Smith, Director of Education at gsmith@middletonplace.org to receive the educational group rate.
