

Hi Everyone,

I am excited and eager to begin the swim season and meet all of you.

Lou has asked me to prepare a short bio of myself. So, here goes.

My swimming career began on a kick board and progressed rapidly from there. I spent about 10 years in the pool competing mostly in freestyle, backstroke, and the IM. During that time, I spent many years training with a prominent stroke and turn coach. I competed with a YMCA team in the winter while also swimming unattached for USA sanctioned swim meets. During the summer, I swam for a local club team.

Other than swimming, I have competed in a few other sports to include barrel racing (horseback riding), basketball, and track and field. I also spent many years giving private swim lessons and a few years coaching basketball.

I began my college career at Coastal Carolina University and participated in Track and Field and competed in the hammer throw. After two years in Myrtle Beach, I was ready for a change. I found the Hilton Head/Bluffton/Beaufort area very appealing and decided to transfer to USCB. I finished my Undergraduate Degree in Hospitality and went on to earn my Master's Degree in Business Administration. For just over two years now, I have been working on Hilton Head Island in the Accounting Department at the Westin Resort and Spa. Previously, I was the Guest Services Manager at the Beaufort Inn.

Inevitably, there will be many more questions. Please do not hesitate to ask.

I am looking forward to an amazing season!

Sincerely,

Coach Taylor
